

Lived Experience Services & Fees

Regional Autistic Engagement Network (RAEN)

Professional Development

RAEN delivers a range of in-person & online Professional Development workshops statewide, these workshops are delivered by lived experience consultants. Our workshops are interactive and we welcome questions. Workshops can be tailored to address specific industries or topics and are useful for a range of audiences including but not limited to:

- Health care professionals/therapists
- Educators
- Teacher Aides &/or School Officers
- Support Workers
- OHSC & Vacation Care staff
- Disability Employment Consultants
- Others working with or supporting autistic children and adults.

Introduction to Autism

In our two hour "Introduction to Autism" workshop you will learn:

- What Autism is, varied presentations, relevant statistics, myths associated with autism & relevant history of autism.
- Preferred Terminology and why language matters
- All about Autistic culture & identity and its importance
- About autistic communication
- Explanation of the social vs medical model of disability
- About diagnostic pathways and assessments
- To understand the autistic experience relating to a range of factors including executive functioning, sensory differences, co-occurring conditions, masking, socialising and repetitive patterns (safe sameness)

Tailored Full Day Professional Development

Our Lived Experience Consultants can develop and deliver tailored professional development for full day delivery of approximately 5 hours spending on your team's needs. Speak to us about your industry and education needs and we can work with you to meet the training needs of your staff and equip them with expansive and practical knowledge across many topics of autism including but not limited to:

- Introduction to Autism
- Autism in the Classroom
- Sensory Differences

- Autistic Culture & Identity
- Autism in the Workplace
- Autism & Intersectionality
- Autism and Co-occurring conditions
- Masking, Meltdowns and Stimming
- Autistic Communication

Costs/fees for service

Our two hour workshops are \$125 per person and require a minimum attendance of 10 people per workshop to be delivered in person. Additionally attendees over 10 are charged at a reduced rate of \$110 per person.

If you are unable to fill 10 spaces for an in person booking we can offer online workshops at a reduced rate per person.

Our two hour online workshops are \$110 per person and require a minimum attendance of 5 people per workshop. If you do not have 5 people or are an individual and would like to attend one of our workshops please email your expression of interest to info@raentasmania.com.au and we will contact you when a date is available for your attendance.

Full Day Tailored Professional Development Sessions can be delivered in person and require a minimum of 15 attendees. These sessions include 5 hours of learning time and are charged at \$300 per person with possible additional quoted costs for catering and venue if required.

Lived Experience Consultants & Speakers

“Nothing About Us Without Us”

The Regional Autistic Engagement Network is passionate about the platforming of lived experience voices. Our Lived Experience Speakers and Consultants are available to deliver a range of services and are the best way for you to make sure that your understanding of autism is informed by those who live it.

Our Lived Experience Consultants and Speakers can deliver:

- Speaking engagements
- Workshop delivery for smaller groups
- Classroom activity or education sessions
- Casual Q&A sessions on your topic of interest
- Consultation on policy, reform and programs
- Written input on policy, reform and programs
- Consultation to develop and deliver new neuro-affirming programs
- Consultation on neuro-affirming language and framework

Costs & fees

RAEN can provide a quote to you upon request for the engagement of a Lived Experience Consultant or Speaker, our quote will require the projected hours involved in your project, delivery location and travel costs, please provide this information when emailing if possible. Email: info@raentasmania.com.au

Inclusive Space Assessments & Recommendation Report

Have you ever thought about whether your space is an accommodating one? Our expert Lived Experience Consultants are here to help.

If you:

- Are developing or upgrading your quiet room
- Are creating or upgrading a neurodivergent inclusive space
- Are an inclusive employer and care about accommodating your staff
- Are holding a sensory safe event

Our Inclusive Space Assessments can help.

Each booking includes:

- A Lived Experience Consultant visiting your space in-person and completing a 1-hour initial assessment using our sensory assessment framework and video recording.
- A comprehensive Inclusive Space Report that assesses your unique space and needs and considers sensory profiles and the neurodivergent experience of all eight senses to deliver observances from our initial assessment with an easy to understand and action, list of recommendations for you to implement.

Costs & Fees

Our Inclusive Space Assessments are provided at a one off fee of \$600 which includes the above services. Please note that if extensive travel is required we may quote an additional cost before confirming your booking.

A follow up online discussion of 1 hour can be booked for an additional \$150, In this discussion you can work through your Inclusive Space Report with a Lived Experience Consultant, ask questions and grow your understanding of autism and the sensory experience.
